APARTMENT OWNER PACKAGE

The Western Australian Apartment Advocacy (WAAA) is the voice for 2.5 million Australians who choose to live in or own an apartment. Founded by Director Samantha Reece, WAAA is known as the Apartment Ombudsmen and provides advice and education to over 25,000 members on its database as well as the general apartment community. WAAA also acts as a mediator between apartment owners and strata managers, developers and builders to resolve difficult or outstanding matters.

WAAA actively lobbies Government for greater Consumer Protection measures and is instrumental in changing the way that apartments are constructed and managed.

After operating for five years, WAAA is now offering subscription packages, providing even more benefit to its members.
